TERMS OF SALE

1. All lots will be sold to the high bidder, at the next regular advance over the second high bidder, by the highest amount of either \$1 or 5%. We reserve the right to reject any or all bids.
2. All items offered are guaranteed to be genuine and as listed. Error on the part of the cataloguer will be cheerfully corrected. Please bid carefully as we cannot be responsible for the errors of others.

DEALERS IN RARE COINS

P. O. BOX 123

PHONE Area 217 428-2074

DECATUR, ILLINOIS 62525

Dear Friends:

First of all, Vi and I wish to express our sincere appreciation and heartfelt thanks for all of the kind and encouraging remarks that were sent our way, in response to our notice of "Last Sale" that we mentioned in our last catalog.

The large number of you who took the time to respond to the notice together with the friendship that was so often expressed, helped us to realize more fully than ever, just how much our lives have been enriched by our association with the Numismatic Fraternity.

At this point I must say that no final decision has been reached. We are searching for a way that the sales might be continued. The odds remain about the same, 80-20 against.

Vi is a patient in Decatur Memorial Hospital at the present time and may be there for another week or two. She is, however showing good improvement and we are hopeful that she will be ready and able to attend the ANA convention later this month. If so we will look forward to seeing many of you there.

In the meantime, if we can ever be of service to you, in any way at all, we would greatly appreciate hearing about it.

Sincerely yours,

Jess Peters

Vi Peters
